Hi Miriam.

On 01/13/20, Ronald Kashden (the FOIA requester), sent an email to our permitting mailbox requesting access to the public comments for the Kampachi Farms NPDES permit issuance. On 01/17/20, I corresponded with Ronald (see attached email chain). I communicated that the public comment period is ongoing and that we are required to prepare a "response to comment" document as part of the final permit issuance process. It appears that Ronald sent a FOIA request on 01/15/20 which was prior to my correspondence with him.

Based on Ronald's email dated 01/17/20, it is my understanding that he is ok with receiving the "response to comments" when complete. He stated "I'm fine with waiting for the 'response to comments' document." -

Please let me know if you need anything else from me or if you would like for me to contact Ronald again.
